No. 14-I-574

IN THE MATTER OF:

BOBBY E. SLAYDON, JR., CLP

(Certificate No. G03278-Gen.)

**INTERIM
CONSENT ORDER**

This matter is before the Louisiana State Board of Medical Examiners (the "Board") in connection with an ongoing investigation by the Investigating Officer of the Board of Bobby E. Slaydon, Jr., CLP, ("Mr. Slaydon"), a clinical laboratory scientist-generalist who at all pertinent times has been licensed in the practice of Clinical Laboratory Science and resides in and around Many, Louisiana.

Apparently reliable information gathered to date indicates that while Mr. Slaydon was employed as the lab director at a medical center in Louisiana, he allowed, or failed to prohibit others from the improper collection or performance of laboratory testing. Mr. Slaydon has been unable to meet in conference with the Investigating Officer, but has volunteered to surrender his license or to allow his license to become inactive.

Predicated upon the information obtained to date, the Investigating Officer has determined that reasonable cause exists for recommending that a formal Administrative Complaint be filed against Mr. Slaydon, charging him with violation of the Louisiana Clinical Laboratory Practice Act and the Board's Rules and Regulations pertaining to Clinical Laboratory.¹

Mr. Slaydon understands that by entering into this Interim Consent Order, he is not admitting or agreeing with these allegations, but to avoid the cost and stress associated with the investigation, he has agreed to the suspension of his license at this time. In addition, as evidenced by his subscription hereto, Mr. Slaydon acknowledges the right to have written notification of any charges that may be asserted, as well as the right to have adjudication of such charges during an administrative hearing at which time he will be entitled to be represented by legal counsel, to call witnesses and to present evidence in defense or in mitigation of the charges made, and to a decision thereon by the Board based upon written findings of fact and conclusions of law, pursuant to La. Rev. Stat. §§49:951, *et seq.* While maintaining such rights Mr. Slaydon, nonetheless, hereby consents to the indefinite suspension of his license to practice clinical laboratory science in this state, with

¹ Pursuant to La. Rev. Stat. §37:1326(A) the Board may take action against the license of a clinical laboratory scientist for: (2) 'Demonstrating incompetence in the performance of the practice of clinical laboratory science'; (3) 'Dishonest or false reporting of laboratory test results'.

reinstatement thereof subject to the terms and conditions of this Order. By his subscription hereto, Mr. Slaydon authorizes the Investigating Officer designated by the Board with respect hereto to present this Interim Consent Order to the Board for its consideration and to fully discuss with and disclose to the Board the nature and extent of such charges and he waives any objection to such disclosures under La. Rev. Stat. §49:960. Mr. Slaydon expressly acknowledges that disclosure of such information to the Board by the Investigating Officer shall be without prejudice to the Investigating Officer's authority to prosecute the abovementioned charges and/or any additional administrative charges that may be filed in this matter or to the Board's capacity to adjudicate such charges.

Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. Rev. Stat. §37:1326 and La. Rev. Stat. §49:955(D);

IT IS ORDERED that the license of Bobby E. Slaydon, Jr., CLP, to engage in the practice of clinical laboratory science in the State of Louisiana, as evidenced by Certificate No. G03278-Gen, be and the same is hereby, effective as of the date hereof, **INDEFINITELY SUSPENDED**.

IT IS FURTHER ORDERED that Bobby E. Slaydon, Jr., CLP, shall not practice clinical laboratory science in any form in the state of Louisiana until and unless the Board issues and serves a written decision reinstating his license to practice following: (1) a meeting at the Board office with the Director of Investigations; **and** (2) receipt of satisfactory documentation that Mr. Slaydon has successfully completed all recommendations by the Director of Investigations to demonstrate to the Board that he is competent to return to the practice of clinical laboratory science with skill and safety **and** (3) the conclusion of the pending investigation by administrative hearing and final decision of the Board on any charges that may be filed in these proceedings including, but not limited to, those identified in this Order; or alternatively, by the Board's acceptance of a Consent Order or other disposition of the pending investigation.

IT IS FURTHER ORDERED that any violation or failure of strict compliance with any of the terms, conditions or restrictions set forth by this Order by Mr. Slaydon shall be deemed adequate and sufficient cause, upon proof of such violation or failure, for the revocation and cancellation of Mr. Slaydon's license to practice clinical laboratory science in the state of Louisiana or for such other action as the Board may deem appropriate, as if such violations were enumerated among the causes provided in La. Rev. Stat. §37:1326.

IT IS FURTHER ORDERED that this Interim Consent Order shall be, and shall be deemed to be, a public record.
